No order can be received on the basis of this Operating Manual. Orders are only valid if made on the basis of the current prospectuses of Pictet funds as well as the latest annual and most recent semi-annual report, if published. This document has been prepared only for general information purposes. It does not cover the specific investment objectives, financial situation and the particular needs of any specific person who may receive this manual. Investors should seek financial advice regarding the appropriateness of investing in any securities. This document is not intended to be an offer, or a solicitation of an offer, to buy nor to sell.

In the event of any inconsistency arising between the information provided herein and the information contained in the Prospectus of Funds, the Prospectus of the said Funds shall prevail.

"In accordance with international rules and applicable Luxembourg laws and regulations pursuant to the Law of 12th November 2004 on the fight against money laundering and the financing of terrorism, as amended, as CSSF circulars, financial sector professionals are subject to obligations whose purpose is to prevent the use of undertakings for collective investment for money laundering and the financing of terrorism. These provisions require the Transfer Agent to identify subscribers in accordance with Luxembourg laws and regulations. The transfer agent can require the subscriber to provide any document that it deems necessary to ensure such identification.

In the event of a delay or failure to provide the required documents, the subscription or redemption request will not be accepted. Neither the undertaking for collective investment, nor the Transfer Agent can be held liable for the delay or non-execution of transactions when the investor has not provided the documents or has provided incomplete documents.

Shareholders may also be asked to provide additional or updated documents in accordance with the obligations for ongoing control and supervision in accordance with applicable laws and regulations."
